WATTS FAMILIES

OF THE

SOUTHERN STATES

BY CHARLES BRUCE HELLMANN

WASHINGTON, D. C.

FOREWORD

In the following material we have grouped a number of WATTS families in early Colonial and American History. These generally are from those whose records are through the Southern Colonies and States.

The material has been assembled from various indicated sources, and in listing a "Family" we have endeavored to include only such groups as cover two or more generations.

In view of the incompleteness of early American records, much of the work has been accomplished through the process of elimination. In such a system, errors are bound to creep in, and the compiler will appreciate any information, serving to connect up related groups, or correcting the list as compiled.

WATTS FAMILY NO. 1

In setting out this Watts Family History, the Compiler wishes to make it clear that much of the material has had to be used by means of deductions which may or may not be correct. Where there is nothing to prove a relationship, the record so indicates, and the reader should so understand this fact.

(1) EDWARD WATTS, of Spotsylvania County, Virginia, born circa 1675; died circa 1750. He received a grant of 900 Acres of new land in ST. GEORGES Parish. The same day his son, THOMAS WATTS, received a grant of 250 Acres adjoining his father. The grant of THOMAS WATTS specifically refers to "THOMAS WATTS, a son of EDWARD WATTS", so we have a definite tie-up. These grants were signed by Governor WILLIAM COOCH and both dated September 28, 1728. Both men were described as "of Spotsylvania County", indicating they had settled in that county at an earlier date.

In an effort to identify the two men, or others of the family, we have checked the following records, some or all of which refer to them:

February 22, 1662 - EDWARD WATTS deeds land, Rappahannock County, Va. Deed Book 1656-1664, Page 344.

October 20, 1687 - EDWARD WATTS gets headright New Kent County, Virginia.

_____ 1689 - EDWARD WATTS, Stafford County, Virginia, Court Book 1689-90 Page 32, EDWARD WATTS with wife ANNE in Court action and was fined. This probably the same man.

April 2, 1723 - EDWARD WATTS sued the estate of JOHN RICHARDSON, Spotsylvania County, Order Book, Page 24.

December 3, 1723 - EDWARD WATTS served on a Jury in Spotsylvania, County, Order Book, Page 60, 65.

August 1, 1727 - EDWARD WATTS witnessed will of ALEXANDER CAMPILL, Spotsylvania County, made July 10, 1727; proved August 1, 1727.

Copy of Land Grant to EDWARD WATTS

For 900 Acres New Land in Spotsylvania County, Virginia, September 28, 1728.

GEORGE THE SECOND, TO ALL: WHEREAS, We have given granted and confirmed, and by these presents for us our heirs and successors do give grant and confirm unto EDWARD WATTS of Spotsylvania County one certain tract or parcel of Land containing nine-hundred acres lying and being on the branches of Black Walnut in SAINT GEORGE'S Parish in the County

of Spotsylvania aforesaid and bounded as followeth, to wit, BEGINNING at two red oaks and a white standing in Mr. ROBERT SLAUGHTER'S line, thence northwest one-hundred and sixty poles to two white oaks standing on a level, thence west one hundred and eighty-six poles to a white oak and a red oak standing on rolling ground in JOHN LEE'S line, thence along his line south ten degrees west one hundred and eighty-two poles to two corner white oaks and red oak saplins, corner to WILLIAM EDING'S and JOHN LEE'S thence along EDING'S line north fifty-four degrees, west eighteen poles to a red oak bush near a ridge, thence south forty degrees east one hundred and eighty poles three corner white oaks of EDING standing on rolling ground, thence south five degrees, east four hundred and seventy poles to a white oak and red oak in GEORGE PUMVICE'S line by a branch, thence north seven degrees east four hundred poles to a red oak and white oak corner of WATTS in SLAUGHTER'S line, thence along SLAUGHTER'S line north sixty degrees, west one hundred and sixteen poles to two white oaks and a red oak on the side of a hill on the south side of a branch a corner of SLAUGHTER'S thence along SLAUGHTER'S line north thirty degrees east to the beginning, WITH ALL to have and to hold and to be held and yielding and paying as provided and in witness. Witness our trusty and beloved WILLIAM GOOCH Esq., our Lieutenant Governor and Commander in Chief of our said colony and dominions at Williamsburg, under seal of our said colony the twenty-eighth day of September one thousand seven hundred and twenty-eight in the second year of our reign.

WILLIAM GOOCH.

The fact that no record is found in Spotsylvania County after September 28, 1728 showing any activity of EDWARD WATTS leaves us a choice of these deductions:

1. That EDWARD WATTS was later located in some County such as Orange formed from Spotsylvania County in 1734.

2. That he was merely a short time resident in Spotsylvania and removed to one of the older counties where he died.

We find these early in the Orange County records. These may refer to (1) EDWARD WATTS, to a son EDWARD WATTS, or to his grandson EDWARD, son of THOMAS WATTS.

November 18, 1735 - EDWARD WATTS, one of crew of road makers. Orange County Order Book 1, Page 41.

February 24, 1736 - EDWARD WATTS acknowledged Deed in Orange County Order Book 1734-37, Page 141.

May 17, 1737 - EDWARD WATTS sued by WILLIAM HENDERSON, et al, Orange County Order Book 1734-37, Page 67-69.

1738- EDWARD WATTS reported as a delinquent tax payer in Orange County.

1739- EDWARD WATTS in Orange County tax lists with 4.

The Compiler holds to the deduction that (1) EDWARD WATTS was the father of several sons, and perhaps several daughters. The fact that records of his son THOMAS WATTS antedate those of his father show (1) EDWARD WATTS was an adult of middle age or later when he received the land grant of 1728. It would appear that (1) EDWARD WATTS may have been descended from THOMAS WATTS in the following records:

April 1, 1651 - THOMAS WATTS, Jr., came into Northumberland County, Virginia, with ELIZABETH WATTS and SUSAN WATTS, receiving 200 acres in that county. Land Book 2, page 311.

1652 - THOMAS WATTS, brought into Virginia by WM. OWEN and WM. MORGAN as shown in GREER'S list.

May 14, 1670 - THOMAS WATTS named in headright in Rappahannock County, Virginia (VALENTINE'S Papers Vol. 3, page 1600)

November 29, 1674- THOMAS WATTS, named in headright on South Side of the Rappahannock River. (VALENTINE'S Papers, Vol. 3, Page 1601)

March 28, 1701 - THOMAS WATTS, then dwelling in Richmond County, Virginia, sold land in Stafford County, Virginia, formerly bought by his father, THOMAS WATTS, of Stafford County. He also executed a power of attorney covering the execution of the deed. (Stafford County D. B. Z., Page 76-77)

1704 - THOMAS WATTS, a land holder in King and Queen County, Virginia, as shown by the list taken in that County by ROBERT BIRD, Sheriff.

Tentatively we list the following as probable children of (1) EDWARD WATTS:

*2. THOMAS WATTS, born Circa 1700; died 1749.
*3. DAVID WATTS, born Circa 1702; died 1767.
4. Reserved.
*5. EDWARD WATTS, born circa 1698; died c1760.
*6. WILLIAM WATTS, born circa 1704; died c1760.
*7. JOHN WATTS, born circa 1710; died c1765.
8. Reserved for addition.
9. Reserved for addition.

(2) THOMAS WATTS, born Circa 1700; died 1749. We list the following records presumably referring to (2) THOMAS WATTS:

His will was made December 22, 1746; proved March 15, 16, 1749 in Culpeper County, Virginia. This document is extremely important as giving us the definite information identifying his sons and daughters and is inserted herein in full.

March 16, 1749
ROBERT SHERMAN, a witness to will swears that a blank space was left in Will at first writing and about 13 months later THOMAS WATTS called him to insert two items, one devising 100 Acres to ESTHER and that pertaining to the still. He asserted that the other two witnesses were not present and were told later about it.

These two witnesses swore that THOMAS WATTS was in sound mind and memory and he told them that he had filled in the two above mentioned items above their signature not in their presence.

In Culpeper County Records.

Book, A----Page 37 has share for widow ESTHER, but in
Deed Book, A- Page 260 December 13, 1750, ESTHER WATTS renounces all rights in her late husband THOMAS WATTS will. This is witnessed by: JAMES BARBER and BENJAMIN WATTS.

(3) DAVID WATTS, born circa 1702; died_____1767. Except for numerous points of similarity in Christian names, inter-marriage, joint signatures, etc., we have nothing definitely to identify DAVID WATTS as a son of EDWARD. Early transactions of record are as follows:

(5) EDWARD WATTS, born circa 1698; died circa 1760. We deduce EDWARD WATTS was one of the younger sons of (1) EDWARD WATTS. He may have been the EDWARD WATTS shown in a tax list of Orange County, Virginia with four names, in 1739. He is believed to have been the source of the following records:

February 24, 1742-3 EDWARD WATTS, was commissioned a Lieutenant in Orange County, Virginia. (Orange County, Virginia Order Book 1741-1743, Page 344)

1744 to 1747 - EDWARD WATTS, was in almost constant litigation in Albemarle County, Virginia, a few dates will suffice.

June 20, 1753 - EDWARD WATTS, patented 400 acres in Albemarle County, Virginia. (VALENTINE Papers Vol. 3, page 1603)

1754 - EDWARD WATTS, listed as a soldier in Colonial Wars. (HENING'S Statutes Vol. 7, Pages 179-210)

May 27, 1754 - EDWARD WATTS security for JOSEPH RAY, Sheriff. Amherst or Albemarle Co., ("Our Kin", by M. B. ACKERLY, Page 9)

June 27, 1757 - EDWARD WATTS of Parish of RUSSELL; sells 200 acres to ALEXANDER MACKIE. It was part of a larger tract he purchased from GEORGE WALTON, while it was in Lunenberg County, (Bedford Co., Virginia, Deed Book A 1, Page 124)

From these deductions it is believed (5) EDWARD WATTS had:

*35. ARTHUR WATTS, born_____; died_____.
*36. EDWARD WATTS, born_____; died_____.
*37. WILLIAM WATTS, born_____; died_____.
*38. GEORGE WATTS, born_____; died_____.
*39. THOMAS WATTS, born_____; died_____.

Numbers 40 to 44 reserved.

6

(6) WILLIAM WATTS, born circa 1704; died circa 1760. The listing of WILLIAM WATTS as a probable son of (1) EDWARD WATTS is wholly deduction. It seems impossible to segregate and identify the several WILLIAM WATTS of record in the counties of Culpeper, Orange, Albemarle, and Madison. WILLIAM WATTS married_____.

He is deduced to have been the son whence came some other WATTS names not otherwise to be accounted for.

We credit him with:

*45. WILLIAM WATTS, born_____; died_____.
*46. THOMAS WATTS, born_____; died_____.
47. ANN WATTS, born_____; died_____.
*48. ROBERT WATTS, born_____; died_____.
*49. JOEL WATTS, born_____; died_____.
*50. JOHNSON WATTS, born_____; died_____.

7

(7) JOHN WATTS, born circa 1710; died circa 1765. The listing of JOHN WATTS as a probable son of (1) EDWARD WATTS is without documentary basis, except to take care of the possibility that he was the JOHN WATTS who was made an ensign in Orange County, Virginia, February 24, 1743. (Orange County, Order Book 1743-1746, Page 56)

He had:

Numbers 51 to 54 reserved.

(10) EDWARD WATTS, born circa 1725; died circa 1790. He was named in his father's will in 1749. It is difficult and practically impossible to identify this EDWARD WATTS from his uncle (5) EDWARD WATTS. (10) EDWARD WATTS was named as the sole legatee under his mother's will in Orange County, Virginia made 1768. (Orange County, Will Book 2, Page 450-451) He married ELIZABETH DOWNS_____. These records seem to refer to him:

November 15, 1750- EDWARD WATTS, deeded 182 acres with wife ELIZABETH to JOHN WATTS, Culpeper County, (Culpeper County, Deed Book A, Page 233)

May 17, 1752 - EDWARD WATTS, with wife ELIZABETH, nee DOWNS in Augusta County, Virginia, record. (Chalkley Augusta County, records Vol. 3, Page 304)

November 13, 1756- EDWARD WATTS, granted 90 acres on Robinsons Fork Culpeper County, Virginia (Culpeper County, Deed Book, H, Page 736)

1758- EDWARD WATTS, shown as in Augusta County, militia. (HAININGS Statutes Vol. 7, Page 199)

December 13, 1768- EDWARD WATTS, named in his mother's will made in Orange County, December 13, 1768; proved June 25, 1772. (Orange County, Will Book 2, Pages 450-451)

July 5, 1775 - EDWARD WATTS, received 389 Acres Orange County, Virginia. (Virginia Land Grant Book)

April 7, 1785 - EDWARD WATTS, received 167 Acres Orange County, Virginia (Virginia Land Grant Book, Page 492)

With no information as to when and where (10) EDWARD WATTS died or whether he had any children, we reserve numbers for possible additions.

He had:

Numbers 55 to 59 reserved.

11

(11) JOHN WATTS, born circs 1722; died_____1796. He married SARAH BARNETT in Orange County, Virginia_____. There has been endless confusion between this JOHN WATTS and the Captain JOHN WATTS who died in Bedford County, Virginia. He moved to Kentucky with his family, except his son BARNETT WATTS, who remained in Virginia, about 17__. He died in Madison County, Kentucky, where his will was probated in 1796. We here set out certain records which probably refer to this man:

1741 - JOHN WATTS, appointed with THOMAS STANTON and ROBERT LOWELL to survey 6000 Acres on Stanton River, Orange County, Virginia. (Virginia Mag. of Hist. & Biog. Vol. 15, Page 120; Vol. 16, Page 156)

February 24, 1743- JOHN WATTS, commissioned as an ensign in Orange County, Militia under Captain Henry Downs. This may have been an uncle, but it points strongly to this man. (Orange County, Virginia Order Book 1743-1746, Page 56)

March 15, 1749 - JOHN WATTS, one of executors under his father's will in Culpeper County, Virginia. (Culpeper Co., Will Book A, Page 10)

Probably 1755 - JOHN WATTS, shown as a soldier in Colonial Wars in Virginia (HENING'S Statutes, Vol. 7 Pages 207, 210)

April 21, 1763 - JOHN WATTS, deeded land in Culpeper County, Va., (Witnessed by BENJAMIN CAVE April 21, 1763. Culpeper County, Order Book 1763-1764)

The family name of the wife of (11) JOHN WATTS is proved first, by the will of JOHN BARNETT, proved in Orange County, Virginia, May 24, 1750. This will refers to the testator's daughter SARAH WATTS and his son-in-law JOHN WATTS.

Secondly, the naming of one son as BARNETT WATTS is fairly conclusive. Culpeper marriages of that early day are not recorded in existing records, but are gleaned by inference.

JOHN WATTS and SARAH (BARNETT) WATTS Had:

(12) BENJAMIN WATTS, born_____; died_____1790. The first record we have of this man is when he is made an executor with his brother (11) JOHN WATTS, in the will of his father THOMAS WATTS, made December 22, 1746; proved March 15-16, 1749 (Culpeper County, Virginia, Will Book A, Page 10) We have the following records which probably refer to him:

December 2, 1752 - BENJAMIN WATTS, of Caroline County, acquires 100 Acres in ST. GEORGE'S Parish, Spotsylvania County, Virginia. The deed was recorded February 6, 1753. (Spotsylvania County Deed Book B, B-(1751-1761)

October 4, 1755 - BENJAMIN WATTS, and wife MARY of Spotsylvania Co. deed the same 100 acres received by him in 1752, to JESSE HARPER of Caroline County, Virginia. (Spotsylvania County, Deed Book B, 1751-1761)

It is believed (11) BENJAMIN WATTS was married twice, his first wife being MARY_____; his second ANNE_____.

Also it is thought his widow ANNE moved to Kentucky and that she was the ANN WATTS who joined the Cooper Run Baptist Church in Bourbon County, Kentucky and died in 1793. She gave her former address as Rapidam, Culpeper County, Virginia.

His will indicates this man had no children, unless he previously had provided for them sharing in his estate.

13

(13) THOMAS WATTS, born_____; died_____1796. He married ANNE GAINES.

We identify his wife from the will of WILLIAM GAINES, made September 30, 1780; proved June 17, 1783. (Culpeper County Will Book B., page 515) GAINES was entering the army and set his house in order. He mentions money given to THOMAS WATTS and ANN WATTS; presumably his sister returned his inventory May 13, 1785. (Will Book C Page 19)

In Culpeper County Court August 18, 1784, THOMAS WATTS made oath that AARON WATTS was an elder brother and heir of REUBEN WATTS who died in Continental Service. REUBEN WATTS' Certificate was given to AARON WATTS, December 31, 1784.

THOMAS WATTS left a will in Culpeper County, made April 22, 1796; proved December 19, 1796. (Culpeper County, Will Book D., Page 193)

(14) JACOB WATTS, born July 19, 1730; died April 14, 1824. He married ELIZABETH DURRETT_____. She was born_____; died_____. She was the daughter of Colonel RICHARD DURRETT, who died in Albemarle County, Virginia in 1784 where his will was proved August 11, 1784. It named his daughter ELIZABETH WATTS. (Will Book 9, Page 1) JACOB WATTS was the owner of considerable land, slaves and property in Albemarle County, Virginia. He owned 1100 acres on the north fork of Rivanna River near Piney Mountain. In his later years he became a Methodist Minister, and preached in the Whitehall M. E. Church in Albemarle County, erected in 1788. He seemed to have been called upon to perform a great many marriages for his relatives and others. Among these may be listed these:

December 24, 1799 he performed the marriage of WINSTON DURRETT and ( )ELIZABETH WATTS in Madison County, Virginia.

In Orange County a check disclosed the following number of weddings performed by him:

1801, 11 couples; 1802, 2; 1803, 4; 1806, 2; 1807, 3; 1808, 2; 1809, 9; 1810, 9; 1811, 5; 1812, 3; 1813, 2; 1814, 1; 1815, 3; 1816, 1; 1817, 1.

Some of the records which may refer to this JACOB WATTS are:

Prior to Rev. War.- JACOB WATTS, member of a Troop of Virginia Militia, paid off at Romney. (Virginia Archives Room 5)

1748 to 1752 - JACOB WATTS, listed in tithe list in Lunenburg, County, Virginia, with 1 tithe. (L. C. BELL'S "Sunlight on the Southside".)

March 2, 1784 - JACOB WATTS, processed land in Louisa County, Virginia, Fredericksville Parish. (Louisa Co., Vestry Parish Book, Fredericksville Parish in Virginia Archives)

December 23, 1818- JACOB WATTS, on petition A250 of Albemarle Co., Virginia, asking that navigation on north fork of Rivanna River be extended. (Fifth Annual Report of Virginia State Library)

He probably was too old for actual service in the Revolutionary War, but he furnished supplies as is shown in Albemarle County Order Book 1783-1785, Page 154, May 13, 1784. One of his descendants in Kentucky owns a Bible with this notation: "JACOB WATTS, his book, bought from GEORGE CLIFFORD at Albemarle Barrax of the 47th Regiment, Price 24s November 1779". Beneath it is this record: "JACOB WATTS was born July 9, 1730". (Owned by Mrs. GEO. RAMSEY, Winchester, Kentucky, in 1932)

He appears constantly in the Albemarle County tax lists from their beginning in 1782 until his death. Numerous records of him appear in the Order Books, Deed Books, and Will Books of Albemarle County, but we have found no record of any will made by him. We do find two deeds of gift executed by him, and these name and identify his children much as would be done in a will.

The first of these, although properly recorded in Albemarle County Deed Book 11, Page 442, and acknowledged in Order Book 1793-1795 at page 465, apparently was recalled for a later one was made and duly recorded. In the latter, the property was made by giving the same items to JACOB'S son ELIJAH to be held in trust and later distributed to the children:

These are here reproduced.

From Mrs. MARTHA A. DRAPER of Palo Alto, Calif., we have obtained a record furnished her years ago by a Mrs. Pitts, descendant of this WILLIAM WATTS. It recites that her grandfather's children had been born on a farm, and had been baptized by a minister who also baptized her mother's children.

The farm in Madison County, Virginia was the site of the Battle of Rapidam in the War between the States, seven miles from Orange, Virginia.

(16) SARAH WATTS, born_____; died_____. She married _____GAINES.

(21) ROBERT WATTS, born circa 1695; died_____1741. The first record we have of this son of (2) THOMAS WATTS is where (21) ROBERT WATTS planter of King George County, bought 400 acres of land in ST. MARKS Parish, Spotsylvania County, Virginia, from JOSEPH BLOODWORTH, August 2, 1732. (Spotsylvania County Deed Book B-1729-1734) The next record we find of him is where his will is probated in Orange County, Virginia, May 28, 1741. It bore no date of making. It named his brothers THOMAS and WILLIAM and his nephew THOMAS, with his brothers as administrators. It was witnessed by WILLIAM WATTS (Mark) THOMAS WATTS, SAMUEL BALL and JAMES POLLARD. We deduce he had no children, but reserve numbers for any additions. (Orange County, Will Book 1, Pages 144, 145 and 157, 158)

Dying, as he did, before his father's will was made, there was no reference to a son ROBERT in the will.

If he ever married we have located no reference to such a marriage, nor to any of his children.

I, JOHN WATTS of Albemarle County and State of Virginia, being at present of sound mind and memory but calling to mind the mortality of man do make this my last will and Testament hereby revoking all others heretofore made in manner and form following:

First: and above all things I recommend my soul to God who gave it me and as to the worldly estate wherewith I have been blessed I dispose of it as follows:

First: I lend unto my beloved wife LUCY WATTS the house in which I now live and the land within the following boundary to-wit: Beginning at the SMITH'S corner in JAMES DOWELLS line thence with SMITHS line to FRETWELL road thence a straight line to a white oak thence a straight line to a White Oak corner between my self and my brother ELIJAH WATTS in the line I bought of my father thence with their line to the corner thence straight on till it reaches my spring branch, thence with the meanders of the spring branch to SAMUEL AUSTIN'S line, thence with the said AUSTINS, and JAMES DOWELLS' line to the beginning, also one negro man STEVEN one negro boy BRADFORD and one woman PHILLIS and her future increase one of my best horses, one cow and calf, one cart & oxen and all the house hold and kitchen furniture and one third of the crop on hand at my decease during her natural life.

Second: To my daughter MEHALA H. WATTS I bequeath one negro girl, MARY and her increase & chose feather bed and furniture and fifty dollars to her and her heirs forever.

Third: To my son DAVID WATTS after the death of my wife I bequeath the negro boy BRADFORD and fifty dollars to him and his heirs forever. It is further my will that the remainder of negroes be sold to the highest bidder amongst all of my children and no other persons on a credit of twelve months, the balance of my estate both real and personal I willed to be sold to the highest bidder on twelve months credit and after paying all my just debts to be divided as follows viz:

To my sonWILLIAM WATTS fifty dollars, to TYREE WATTS two hundred and fifty dollars, to THOMAS WATTS fifty dollars, to NELSON WATTS one hundred and fifty dollars, to ROBERT WATTS two hundred and fifty dollars to ELIJAH WATTS two hundred fifty dollars and to GARRETT WATTS two hundred and fifty dollars. Those several sums to those children I consider as making with what I have heretofore given on to some of the others and with ELIZABETH ELLIS, MILDRED DUNN and MATILDA MELTON and my daughter NANCY HUCKSTEP I have heretofore given what I considered two hundred more than to any of my other children and it is my will that she stands charged with that amount until all my other children receive the same sum specified above and also two hundred dollars each out of the residue of my estate. If the sales should not be sufficient to pay the several bequests to my nine children heretofore named then they are to divide according to the several portions bequeathed then the balance of my property loaned to my wife after her death is to be sold both reel and personal upon the same terms and in the same way as the first specified sale and the money arising therefrom to be equally divided amongst all my children except that NANCY HUCKSTEP is not to receive any thing until all the rest of my children get two hundred dollars each exclusive of the above specified sums before named and I do hereby constitute and appoint my sons WILLIAM, TYREE and DAVID WATTS executors of this my last will and testament.

In witness whereof I have hereunto set my hand and affixed my seal this fifteenth day of July, 1823.

This marriage took place in Scott County, Indiana or Kentucky, but doubtless it was Indiana. They moved to Lawrence County, Illinois, where they had a large family. The following is copied from a Biographical Sketch of Lawrence County, Illinois, published by H. H. SHINN and Company, in 1875, relative to one of his children (681) DAVID A. WATTS:

"As the name implies, the family from which Mr. WATTS is descended is of Scotch origin. The name of his father was ARTHUR WATTS, and he was born in Dinwiddie County, Virginia, the county of which Petersburg is the county-seat. The date of his birth was the 21st of January, 1785.

"ARTHUR WATTS secured a good education, and was a man of considerable influence in the communities in which he resided. After he was grown up he engaged in teaching school, a pursuit which he followed for several years. He subsequently removed from Virginia to Scott County, Indiana, and there on the 1st of September, 1817, was united in the bonds of matrimony to NANCY JONES, a native of the State of Kentucky, born January 17, 1801. He was teaching school in Indiana at the time of the occurrence of this event. He afterwards came into the possession of some land in Scott County, and his business was that of a farmer. His poor health allowed him, however, to devote but little personal labor to the pursuit of agriculture. He filled several public offices in Indiana, and for two terms represented his county in the State Legislature.

"In 1840 ARTHUR WATTS sold his farm in Indiana, and removed to Lawrence County, Illinois, where he entered the one hundred and sixty acres of land on which DAVID A. WATTS now resides.

"Too many words cannot be said in commendation of the untiring energy displayed by Mrs. WATTS, who was thrown on her own resources by the death of her husband. She managed to raise a family of thirteen children, all of whom attained a mature age. Nine of the children were under her care after their father's death. The circumstances which surrounded the family on their first settling in the county were in strange contrast to the present. Only a small portion of the county was settled. The nearest store was thirteen miles away, and the family were compelled to contend with the inconveniences common to pioneer settlements."

(ARTHUR WATTS, his wife, and some of the children are buried in the KEPLINGER cemetery, 2½ miles north of Sheuncey, Illinois)

In Clark County, Kentucky, in a box of miscellaneous papers, the following declaration was found, authentically and duly certified to by Mr. LINVILLE JACKSON, Clerk of the County Court, July 15, 1932.

Compiler's Note

Reference to the Muster Rolls as printed in Pennsylvania Muster Rolls, 5th Series, Volume 3, Pages 863, 864 and 876 shows that:

JOHN WATTS of Virginia enlisted May 22, 1782 as a private in the Third Troop, First Partisan Legion, for a period of three years, under the following officers:

Brigadier General ARMAND, Marquis de la ROUCRIE
Captain LE BRUN De BELLACOUR
Lieutenant LA HOYE DOURTERIE
Cornet WILLIAM MURDOCK

ARMAND'S Regiment was stationed at Charlottesville, Virginia in 1781-1782, but Staunton, Va., offered them provisions and other concessions so they moved to Staunton, Augusta County in April, 1782. While in Augusta County they enlisted 40 additional men, including (1) JOHN WATTS. Then, according to their regimental records, they removed to York, Pa., where they remained until their discharge. (See Pennsylvania Magazine of History & Biography, Vol. 2, Page 1 for life of CHARLES ARMAND)

The substitution of ARMONG for ARMOND, and LEE BROWN for LE BRUN is easily understood.

It is thought (1) JOHN WATTS was an Albemarle County boy, became fascinated with the idea of enlisting in this picturesque Legion and followed it to Staunton where he enlisted.

I moreover appoint THOMAS POTTS and RICHARD BIVINS my executors of this.

(2) ABEL WATTS, born_____C1794; died_____1840. ABEL WATTS, frequently referred to as ABRAM and ABRAHAM WATTS, was born some time in 1790 according to Census figures used in computing his age. He married SARAH D NIEL in Clark County, Kentucky June 15, 1815. She was the daughter of BEVERLY DANIEL and was born about 1800. Her father gave his consent to the marriage as she was a minor. ABEL WATTS died intestate in Clark County in 1840. The Census shows him living in Montgomery County, Kentucky in 1820, next to his father-in-law BeVERLY DANIEL. At that time he only had two children, boys under ten years of age. There he is named as ABRAHAM. In 1830 he is back in Clark County and named ABEL. In 1840 still in Clark County, he is named as ABEL. This accounts for the reason of his name commonly being called "ABE" by his relatives.

His widow, SARAH WATTS, survived him and died January 28, 1883 at the home of her daughter SARAH (WATTS) SNOWDEN. She is buried in Clark County, Kentucky. In 1843 she married ROBERT A. CAMPBELL after they signed a pre-nuptial agreement to the effect that the property owned by each should be retained by each.

After the marriage of ROBERT A. CAMPBELL to SARAH (DANIEL) WATTS he lived only about six months.

Although legally bearing the name SARAH CAMPBELL, SARAH, widow of (2) ABEL WATTS, continued to be known as SARAH WATTS, and her name is so recorded in many places, including the Census reports.

CAMPBELL and SALLY (ALIAS SARAH) WATTS, both of Clark County, Kentucky now it is agreed by and between said CAMPBELL and WATTS in consideration of said intermarriage that all the property of all kinds whatsoever whether real, personal or mixed or choses in action that said SARAH WATTS now owns or has any right to whether legal or equitable she shall still, after marriage and notwithstanding the same, hold and enjoy in her separate right as an unmarried woman and the proceeds of the same she is to hold and enjoy in the same manner all of said property and its proceeds shall be under her entire and sole control, free from the debts, claims or interference of said CAMPBELL in any way and she shall have full power to dispose of said property by will or otherwise as a feminine sole, and all of the property of all kinds whether chose in action or what not now owned and possessed by said CAMPBELL shall be exclusive property free from any and all claims of said SARAH that may hereafter arise or that now exists, whether the same be dower or any other claim notwithstanding said

marriage and the survivor of them, said CAMPBELL and WATTS, shall have no claim whatever upon the property now owned and possessed by them severally, nor shall the children of either of them that they now have, inherit by the operation of law any part or portion of the said property at present owned of the other.

In testimony of all of which the said CAMPBELL and WATTS have hereunto set their hands and seals this 24th day of June, 1843.

Recorded same day.

WATTS FAMILY NO. 5

1. JOHN WATTS, born _____; died _____circa 1680. He lived in Westmoreland County, Virginia. He was first married to Elizabeth Vaughan, daughter of John Vaughan. He was named in the will of John Vaughan made January 9, 1663; proved April 27, 1664, Nominy Parish, Westmoreland County, Virginia. (Will Book 1. Page 3).

After the death of his first wife, Elizabeth (Vaughan) Watts, he married Margaret Weire, daughter of Major John Weire, and Honoria _____.

This reference is found in the will of Major John Weire, probated in Maryland, April 28, 1678. (J. Baldwins's Maryland Calendar of Wills Vol. 1. Page 208). The will had been made May 7, 1671.

Further proof is found in the following references:

"Index of old Rappahannock County, Virginia, Grants, Deeds, etc." Vol. 4. P to Y 1654-1692.

Page 1126. JOHN WATTS is given power of attorney by Honoria Weire, Executrix of John Weire. (Book 1668-1672, page 444 June 4, 1671)

Page 1126, JOHN WATTS is given assignment of notes and bills in estate of Major John Weire, whose widow has married George Jones, (Book 1677-1682, page 121, May 5, 1676).

Then in Old Rappahannock County (Now Essex) records, copies now in Virginia Archives at Richmond, we find:

Old Book No. 1. page 119, where George Jones, who married Honoria Weire, widow of Major John Weire, consents to a settlement whereby the wife and JOHN WATTS are empowered to protect John and Elizabeth Weire until they come of age. (May 2, 5, 1676-77. Several pages of forms)

Old Book 62, New 6 R. Page 84, is the will of Honoria Jones. In it she gives to her grandson RICHARD WATTS, two pieces of silverware. (November 9, 1685).

Meanwhile, JOHN WATTS, had died and his widow Margaret Watts, nee Weire, married Abraham Blagg, and Honoria's will mentions her son-in-law, Abraham Blagg, and her grandsons, Edward Blagg and Abraham Blagg, and RICHARD WATTS.

JOHN WATTS, sold a plantation to Thomas Wilsford, September 1, 1666, Westmoreland County. He leased land from John Washington in Westmoreland County in 1668.

He acquired 1053 acres from Nathaniel Pope in Westmoreland Co., on Hollis Creek, November 1, 1665. December 15, 1665 he deeded land in Northumberland County, Virginia. (D.B.1-P277).

October 20, 1670 he acquired a headright in Stafford County, Virginia.

This JOHN WATTS had later been residing in Washington Parish, Westmoreland County, Virginia.

It is believed (1) JOHN WATTS had a son bearing the same name from his first marriage. We so record our deductions:

JOHN WATTS had:-

*2. JOHN WATTS, born _____; died _____.
*3. RICHARD WATTS, born _____; died _____circa 1716.

-- 2 --

(2) JOHN WATTS, born _____; died _____. He is believed to have married _____JANE SUMMERVILLE, daughter of John Summerville. In the will of John Summerville made June 19, 1717; proved August 28, 1717, he names his "son-in-law, JOHN WATTS". If we are correct in this identification of (2) JOHN WATTS, he is the one who sold land in Rappahannock County, Virginia, as follows:-

Book 1668-72, Page 526 - January 24, 1671.
Book 1671-76, Page 32 - January 20, 1672.
Book 1671-76, Page 31 - June 30th, 1672.

-- 3 --

(3) RICHARD WATTS, born _____circa 1677; died _____circa 1716.

The fact that the will of Thomas Wilsford in Westmoreland Co., 1700-03 leaves land to RICHARD WATTS, it would appear possible that Mary, wife of RICHARD WATTS (2) was probably born Mary Wilsford.

RICHARD WATTS(2) was an executor under the will of Andrew Monroe in Westmoreland County, Virginia, 1713-14.

His will was made April 23, 1715; proved October 31, 1716; inventoried September 3, 1717. (Westmoreland County, Book VI, pp 50 - 174). This names:-

His son RICHARD WATTS.
His son JOHN WATTS.
His wife Mary_____.
His five children (not named).

MARY, the wife, made affidavit, March 25, 1713 that she was 33 years old, see Northumberland County Deed Book 5, page 127.)

We know this was the RICHARD because Abraham Blagg's will in Westmoreland County, November 28, 1716 mentioned "brother RICHARD WATTS."

The widow of RICHARD WATTS, MARY WATTS, afterward married John Chilton, who owned land adjoining the 79 acres deeded RICHARD WATTS in 1715. John Chilton's will in Westmoreland County Book VIII made August 7, 1725 and proved September 28, 1726, names his own sons, presumably by an earlier marriage, and also rovides that RICHARD WATTS and JOHN WATTS shall get a share of negroes from their fathers estate when they come of age.

RICHARD WATTS, Sr., having died in 1716 (will probate date) and the boys still being minors in 1726 would make their birth year some time between 1700 and 1710.

Their mother, now Mary Chilton, widow of John Chilton left her will in Westmoreland County, Virginia, book VIII,. Made April 3, 1737. Proved April 26, 1737. It names among others:

Her son JOHN WATTS
Her son RICHARD WATTS
Her daughter, MARGARET STROTHER. (she was then a widow)
A daughter, MARY BLACKBURN
A daughter JANE MONROE
Her son-in-law, RICHARD BLACKBURN
Her son-in-law, CAPT. ANDREW MONROE

Thus we have Richard's five children not named in his will specifically identified. RICHARD WATTS and MARY _____ WATTS had:

*4. JOHN WATTS, born circa 1705; died Nov 24, 1753.
*5. RICHARD WATTS, born_____; died_____.
*6. MARGARET WATTS, born_____; died_____.
*7. MARY WATTS, born_____; died_____.
*8. JANE WATTS, born_____; died_____.

4

(4) JOHN WATTS, born circa 1705; died November 24, 1753 in Westmoreland County, Virginia. (Douglas Register P. 245 refers to his funeral as of November 10, 1753, and refers to him as Capt. John Watts.)(He probably is the John Watts who married Mary Alverson in Richmond Co., Va., January 9, 1729/30).

His will is found there. (Book XII, made November 4, 1749, probated March 27, 1754). It names:

Son JOHN WATTS
Son RICHARD WATTS
Daughter FRANCES WATTS (then under 21)
Daughter ELIZABETH WATTS (then under 21)
Sister MARGARET GRANT (She was the MARGARET WATTS who first wed William Strother and later wed John Grant).

This will also names Beheathland Blagg as his housekeeper and the guardian of his children, thus pretty well identifying his lineage.

It also is worthy of note that his will provides for the disinheritance of any of his children who might marry any one from Maryland. The inference is that he felt agrieved at something some Marylander had done in the past.

This (4) JOHN WATTS received 300 acres from Lord Fairfax as shown in Virginia Land Book F. Page 193 between 1742 and 1754. Here again, he is called CAPTAIN JOHN WATTS. In Book E, page 92 he receives deed to 593 acres for formerly granted to John Vaughan named as "ancestor of Capt. John Watts."

JOHN WATTS and _____ WATTS had:

*9. JOHN WATTS, born_____; died_____.
*10 RICHARD WATTS, born_____; died_____.
11 FRANCIS WATTS, born_____; died_____.
12 ELIZABETH WATTS, born_____; died_____.

5

(5) RICHARD WATTS, born circa 1705; died_____1744.

A RICHARD WATTS died in Westmoreland about 1744 for we find an inventory listed in that county. This evidently is the RICHARD WATTS(5) son of RICHARD (2) and grandson of the first known of this line.

As stated above (4) RICHARD WATTS was named in John Chilton's will in Westmoreland County, Virginia in 1726. Also, he was named as an executor in the will of Henry Ashton made February 26, 1730; proved November 24, 1731.

Numbers 13 to 17 reserved for additions.

6

(6) MARGARET WATTS, born _____; died_____; who first wed William Strother and had five daughters. She had many prominent descendants.

In Kentucky State Historical Society Register, Vol. 15, No. 45 September 1917, page 91 et seq., will be found a very complete line on MARGARET WATTS, who first wed William Strother of Stafford, and had five daughters. He died at 35 in 1732 and his widow was made his executrix. She subsequently married John Grant. She left a distinguished line.

7

(7) MARY WATTS, born_____; died_____; married Richard Blackburn as shown in her mothers will, supra, also see William & Mary Quarterly, Vol 15, page 193.

Hayden's Virginia Genealogies at page 601 gives a good line on descendants of MARY WATTS and Richard Blackburn, and refers to her without supporting proof, as "of the same family as Dr. Watts the Hymnologist."

Some records show MARY WATTS, daughter of Richard Watts and Mary Watts, as having married Colonel Henry Ashton after the death of his first wife in 1722. He was born July 30, 1671; died November 3, 1731. (William & Mary Quarterly, Vol. I, pages 94 et Seq.) in some records her name is referred to as Ann Watts.

8

(8) JANE WATTS, born_____; died_____; married Capt. Andrew Monroe about 1718 as is shown by her mothers will, supra. Also see William & Mary Quarterly, Vol. 15, page 193.

9

(9) JOHN WATTS, born_____; died_____. He received land in Westmoreland and King George Counties by his father's will in 1754. His land is described in Honings Statutes, Vol. 8, page 79 as being on upper Machotack River in Westmoreland County, Virginia.

February 27, 1766 he was a signer of a resolution in Washington Parish, Westmoreland County, Virginia, drawn by Richard Henry Lee and opposing the Stamp Act.

He deeded his land in King George County, August 30, 1768 (D. B. 14, p 563) He was a commissioner of the Peace in Fairfax County, December 23, 1776.

Numbers 17 to 25 reserved for additions.

10

(10) RICHARD WATTS, born_____; died_____. He received land in Prince Williams and Fairfax Counties by his father's will in 1754. He married Anne _____. They were in Fairfax County as shown in Stafford County Deed Book M, page 28, December 6, 1774. Richard Watts and his wife Anne deeded the land which he describes in detail as being that which his grandfather had patented in 1714, January 25,. It is obvious this is the same Richard.

His grandfather (3) RICHARD WATTS had patented the land January 25, 1714, and transmitted it to his sons (5) RICHARD WATTS and (4) JOHN WATTS. (4) JOHN WATTS willed part of his share to (10) RICHARD WATTS.

Tentatively we identify him as father of MARY WATTS who had wed John Ashton who left a will in Westmoreland County, Virginia, 1768. Also father of ANN WATTS who wed William Robinson of King George County, Virginia. (William & Mary Quarterly Vol., 7, page 117 and Virginia Magazine of History and Biography Vol., 22, page 24).

Numbers 26 to 34 reserved for additions.

WATTS FAMILY NO. 6.

1. JOHN WATTS, born_____; died_____. He was born in England and came to Virginia settling there early in the 18th century. All of the basic information concerning this family is from a letter from Mrs. Abbie Watts Smith of Crystal City, Texas. From the information given by her the compiler was able to check up the census records in some of the Counties named and thus add to the list of names given by her.

She had prepared the information from a statement written by her father. It is of such importance in presenting the facts thus far assembled we are inserting the letter herein;

A brief record of WATTS family preserved by Rev. H. H. Watts and finished by Mrs. Abbie Watts Smith of Chrystal City, Texas.

"So far as I have been able to ascertain, the WATTS family has been in America for five generations. My great-great grandfather came in Virginia about 1730 or 1731, the exact year not known. This was while John Wesley was in his young manhood preparing for his life's work, and Dr. Isaac Watts was in the vigor of his life giving forth his sacred songs to the world.

"This ancestor was named JOHN WATTS-if I remember correctly-and he and his sons settled in Virginia in the south branch of the Potomac River, the name of the County not known to me. From one of the above mentioned sons whose name was James, my grandfather descended. My grandfather's name was also John. He was born about 1748 and was a married man at the time of the outbreak of the Revolutionary War. He fought under Washington and was present when Cornwallis surrendered to Washington at Yorktown, October 19, 1781. He saw Lord Cornwallis take hold of his sword at the point and present the handle to General Washington. He said Washington wept when he received the sword. Thus was a great man humbled-Cornwallis, and a great country born-America.

"JOHN WATTS, my grandfather lived in Virginia until about 1807 and then moved with his family to Kentucky. He raised five sons and five daughters. All of these were born in Virginia. His son's names were: James, John, Thomas, Robert, and Lot. The first of these and the last two died in Illinois, leaving large families there. John-the second son-died in Cass County Missouri, leaving five sons. The eldest was named James and the third was named John.

"My father was Thomas, the third son of my grandfather- JOHN WATTS. He was a young man when they moved to Kentucky and married there. My mother was Edith Markham. My parents were married in 1810. In 1817, they moved to Crawford County, Illinois and located near Palestine.

"There, I Henry H. Watts was born November 8, 1820. Father lived there five years and moved to Tennessee. In 1826 he returned to Kentucky. He lived in Pentress County, Tenn., and Wayne County Kentucky, which joined each other. Then in 1836, he moved to Cass County, Missouri where he lived until the spring of 1853 when he moved to Oregon. He died there in 1877, aged 91 years.

WATTS FAMILY NO. 6

"My grandfather JOHN WATTS was a conscientious good man and for a long time a member of the Old Baptist Church. He died in Tennessee in 1824.

"My father THOMAS WATTS was a moral upright man but not a member of any church. In early life he leaned to the Baptist Church, but in later life had a fondness for what was then called the Campbellite Church. My mother was for many years a member of the Methodist Church."

It will be observed that, much of the early history of this family is from tradition, but known facts bear out later statements.

(11) JOHN WATTS, born_____; died_____. He is reported to have moved to and died in Cass County, Missouri, leaving five sons, and of them, the oldest, James; another the third, John. We deduce an Alfred L. Watts found in Cass County to have been a third.

(12) THOMAS WATTS, born 1786; died_____1877. He married Edith Markham in Kentucky in 1810 and they moved to Crawford County, Illinois in 1817. In the 1810 census he was in Wayne County, Kentucky, shown as between 16 and 25. In 1820 he was in Crawford County, Illinois, with two sons and two daughters under ten. In 1850 he is in the Cass County, Missouri census. This shows his birthplace as Tennessee, although the above quoted letter states he was born in Virginia. His activity is reported in the interim between 1820 and 1850 as having returned to Kentucky in 1826, living in Wayne County, Kentucky, and Fentress County, Tenessee. In 1836 he moved to Cass County, Missouri, where he remained until 1858, when he moved to Oregon where he died in 1877 at the age of 91.

His wife was shown to have been born in Virginia in 1797.

13

(13) ROBERT WATTS, born_____1789; died_____. He evidently was married twice, for he appears in the Crawford County, Illinois census of 1820 with one son less then ten, but without any female at his residence. The compiler deduces this to have been a son by his first marriage. In the 1860 census he is in Crawford County, Illinois with a wife Nancy _____ 16 years his junior. This shows the other children as having been born in Ohio, but this is believed to have been wrong.

Record of the marriage is in the Christ Church, Parish Register, page 22, in Middlesex County, Virginia. From the same source and from the splendidly preserved records of Middlesex County, Virginia we glean the information from which this compilation is made.

He bought land in Middlesex County and the deed was recorded May 20, 1687 (D. B. 1679-94, page 245).

He was a witness there the same year.

He appears as a witness on a will dated November 14, 1698.

In 1704 he appeared on the Middlesex County Rent Roll with eighty acres.

In 1707 he is paid for keeping William Wallis who was bound to him in that county.

His wife's inventory was returned January 1, 1737, and the estate was administered by William Daniel, godson mentioned in HUGH WATTS' will. (Order Book 1734-39, pages 90, 92).

We identify the first marriage as being thatof JOHN WATTS who died in December 1714, he being descended from JOHN WATTS written up in a separate family.

WATTS FAMILY NO. 22.

(1) RICHARD WATTS, born_____; died_____. He married first, Mary_____; second, Ann_____. He was residing in Abingdon Parish in Gloucester County, Virginia, and the earliest record of him there is in 1699.

November 11, 1642, a RICHARD WATTS with others was brought into the colony by John Ewens, Jr. Ewens received 460 acres in Charles City County, Virginia. This was too early for this man but might have been an ancestor. (Virginia Land Patent Book 1, page 854).

Another RICHARD WATTS was active in Westmoreland at the same time His family has been set out under another number.

We deduce (1) RICHARD WATTS was first married to Mary_____, then to Ann_____ from the fact that the register of the births of his first three children refer to his wife as Mary; the last one to his wife as Ann. (The short time between baptisms cannot be squared with birth dates).

Richard Watts had:

*2. WILLIAM WATTS, bapt. Oct. 15, 1699; died_____.

(2) RICHARD WATTS, born February 5, 1736; died_____1777. He married Mary Ann Beetley. He is deduced to be the RICHARD WATTS who left a will in Northumberland County, Virginia in 1777. That will is here inserted in full. The family name of his wife is deduced as BEETLEY from the reference in the will of (6) WILLIAM WATTS, to his uncle WILLIAM BEETLEY.

It will be observed that only his wife, Mary Ann Watts and his son William Watts are actually named in his will, but reference is made to "my children".

From the Parish Register of St. Stephen's Church we list the names of his several children numbered 3 to 8. The Child. (9) JOHN WATTS evidently was born after May 10, 1773, and we identify him as a son and only brother of (6) WILLIAM WATTS, from the will of said William Watts.

(2) RICHARD WATTS and Mary Ann Watts had:

3. BETTY WATTS, born June 12, 1762; died_____.

From this will we deduce that JOHN WATTS, his brother, was born about 1777, and was not of age at the time the will was made in 1796; also that his sister Ellen (Ellender) had married Humfres (Probably Humphreys). We do not identify the Salley, George and John Wisly Hays, unless they were the children of one of his other sisters.

(7) ELLEN WATTS? born June 24, 1771; died_____. She married _____ Humfres (Probably Humphreys) and she is referred to in her brothers will in 1796. (6) William Watts.

WATTS FAMILY NO. 24

(1) GEORGE WATTS, born_____; died_____1818. He married Martha _____.

A GEORGE WATTS, probably this man, received Virginia Treasury Warrant 6018 for 1000 acres of land in Fayette County, Kentucky, (then Virginia) as recorded in Virginia Land Office Book 1, page 456 March 1, 1784.

Another record is where a Major George Watts received Warrant Certificate 3315 for 7110 2/3 acres June 28, 1784, as shown in Virginia Military Certificate Book 2, page 22.

Henings Statutes Vol. VII, pages 180, 183, and 188 refers to a GEORGE WATTS in the Augusta County, Virginia service in 1758, and at page 210 to service the same year in Bedford County, Virginia.

GEORGE WATTS listed 67½ acres in Clark County, Kentucky, in the tax records for 1795.

In the division of an estate in Lancaster County, Virginia, October 15, 1772 (Page 29) GEORGE WATTS received a negro named James.

In the Augusta County, Virginia, records we find these referring to a GEORGE WATTS: (These may have been Watt or Wall).

In Madison County, Kentucky, GEORGE WATTS was appointed Captain in the Midison County, Kentucky, 4th Regiment, June 26, 1798, according to the Kentucky State History Soc. Register. (see Second below)

In 1812 GEROGE WATTS served from Newport, Kentucky according to the Kentucky Register of 1812 Soldiers.

L. A. Burgess "Virginia Soldiers of 1776," Vol. 1, page 397 refers to a Captain George Watts of the 4th Virginia Regiment Continental Line who died during the war in 1775. If this is true he obviously could not be (1) GEORGE WATTS, but attention is called to the similarity of the second entry above. The Compiler has identified this GEORGE WATTS as probably from Bedford County, Va.

GEORGE WATTS was listed in the 1810 Census of Fayette County with five in his family and four slaves.

GEORGE WATTS received deed June 30, 1797 for negro named Rachil for Parthenia Carter, widow of Caroline County, Virginia (Fayette County, Kentucky, Deed Book R, page 540).

GEORGE WATTS was in the Fayette County, Kentucky tax lists for 1801, 1806, 1808, 1809, 1815.

GEORGE WATTS was recorded in various Revolutionary War Services as shown by the following Virginia Archives records:

(8 V. R.) W. D. 172, 1
1. P. D. 74. D 161; War 4, 396; War 5, x.

In the Illinois Department of Militia he is shown as having served

GEORGE WATTS served as a Master April 20, 1812, according to the list of "officers of the Navy of the U.S. and Marine Corps 1775 to 1900".

GEORGE WATTS, named as the son of HENRY WATTS, and a nephew of JOHN WATTS, in the will of JOHN WATTS, Fairfax County, Virginia, 1805. (Fairfax W. B. J, page 154).

His inventory was reported in Fayette County, Kentucky, October 19, 1818, and the estate distributed the same year. (Fayette County, Will Book "E", page 38. 39, and 178).

Obviously all of the above records do not apply to (1) GEORGE WATTS but doubtless some do, so they are set out for record.

(1) GEORGE WATTS married Martha_____. Her family name and the time and place of marriage have not been located.

They had:

*2. JOHN WATTS, born_____; died_____.
*3. BARNARD WATTS, born_____; died_____.

*7. MARY WATTS, born_____; died_____.
*8. GEORGE WATTS, born_____; died_____.

(2) JOHN WATTS, born_____; died_____. He married Nancy Hudson in Fayette County, Kentucky, July 10, 1808, with R. R. Hunt officiating. (Fayette County, Marriage Book 1).

In the 1810 Census of Fayette County, Kentucky, there was a JOHN WATTS. He and his wife were under 45 and they had one male and one female under ten.

They had:

Numbers 9 to 19 reserved.

3

(3) BARNARD WATTS, born_____; died_____. He married Rachel Williamson in Fayette County, Kentucky, August 31, 1812, with C. MCloud officiating. The presence of this name BARNARD causes the Compiler to think there may have been a relationship with the Spotsylvania Culpeper-Orange Watts group.

WATTS FAMILY NO. 24.

In the 1820 Census of Fayette County, Kentucky, there is listed a BARNETT WATTS. The two names--BARNARD WATTS and BARNETT are oftimes thus confused. He is shown as under 45; his wife as under 26. They had one male under ten and one female under ten.

They had:

Numbers 20 to 29 reserved.

WATTS FAMILY NO. 33

(1) JAMES WATTS, born_____; died 1699. He lived in Westmoreland County, Virginia. He is believed to have been the James Watts, who came into Accomoc County, Virginia, on the Certificate of Arthur Robins, March 18, 1666-7. He married Elizabeth Ann Youell, daughter of Thomas and Anne Youell, Cople Parish, Westmoreland County, Virginia. He died in 1699. His widow afterward married_____ Cooper/ She died in 1729.

Will of Thomas Youell, Westmoreland County, Virginia, Will Book 11, made December 7, 1694, proved May 29, 1695, names his grandson Youell Watts, and his daughter Elizabeth Ann Watts.

Will of JAMES WATTS, Westmoreland County, Virginia, Will Book 11, made June 30, 1699, proved August 30, 1699, names his wife Elizabeth; son John Watts, and Spencer Watts. (The absence of reference to Youell Watts is not explained, but probably this was due to the fact that Youell received property from his grandfather, Thomas Youell, while John and Spencer did not.

Will of Eliza Cooper, Westmoreland County, Virginia, Will Book VIII made January 9, 1729-30, proved February 5, 1729-30 names her son Spencer Watts, and he is her executor. (It is presumed that John has died prior to that time.) Youell Watts died in 1726.

Will of Youell Watts, Westmoreland County, Virginia, Will Book VIII, made November 8, 1726, proved February 22, 1726, names no other Watts. He seems to have been estranged from his family. He names his cousin Patrick Spence.

Will of Patrick Spence, Westmoreland County, Virginia, Will Book IX, made December 10, 1739, proved March 25, 1740, mentions the land given him by Youell Watts.

JAMES WATTS and Elizabeth Ann (Youell) Watts had:

*2. JOHN WATTS, born_____; died_____.
*3. SPENCAR WATTS, born_____; died_____.
*4. YOUELL WATTS, born_____; died_____.

2

(2) JOHN WATTS, born_____; died_____. He inherited land on the Western Shore from his father. He is believed to have died prior to 1729 as he is not mentioned in his mother's will proved in that year.

3

(3) SPENCER WATTS, born_____; died_____. The last record of him is when he was named as an executor under his mother's will in 1729 in Westmoreland County, Virginia.

He had:

*5. EWELL WATTS, born_____; died_____.

4

(4) YOUELL WATTS, born_____; died_____1726. He shared in the division of his grandfather's estate under his (Thomas Youell's) will of 1695 in Westmoreland County, Virginia. There seems to have been some estrangement between Youell Watts and others in the family. In his will proved in Westmoreland County, Virginia, 1726 he names no WATTS but wills property to others.

5

(5) EWELL WATTS, born_____; died_____. He married Mary_____. We deduce him to have been a son of (3) SPENCER WATTS because of the proper date interim and the probable "Garbled" construction of his name as EWELL instead of Youell his collateral kin. Only one record of EWELL WATTS has been found by the Compiler. That is the registered birth of his child in St. Stephens Parish Register in Westmoreland County, Virginia.

He had:

*6. CHURCHILL WATTS, born February 10, 1758; died____.

6

(6) CHURCHILL WATTS, born Feburary 10, 1758; died_____. He served in the Revolutionary War, as shown in the Virginia Archives Record, in the 5th Virginia Regiment. (5-B (5 V.R.) W. D. 103). We have no further record of this man.

WATTS FAMILY NO. 35.

(The Compiler is not satisfied with this family set up because of errors which seem obvious. Correct information will be appreciated.)

(1) THOMAS WATTS, Senior, born_____; died_____1788 in Elizabeth City County, Virginia. There he left a will made October 18, 1788. It named his wife as Ann Watts and his sister Mary Watts and was recorded in Will Book 2 Page 303. Thomas Sheppard and John Cooper Sheppard. The origin of this line is somewhat uncertain but we find these early records of the probable progenitor of this line.

A THOMAS WATTS acquired by lease fifty acres on Broad Creek, Elizabeth City County, in 1622; Later obtaining a grant May 30, 1634. Came to Hog Island, Virginia in the ship Treasure in 1624; living at Flowerdieu Hundred 1623.

Thomas Watts and Ann Watts had:

*2. THOMAS WATTS, born_____; died_____1778
*3. SAMUEL WATTS, born_____; died_____1798
4 to 9 reserved for addition.

(2) THOMAS WATTS, born_____; died_____17^{84}. It is impossible to exactly distinguish this THOMAS WATTS from his father, but we assume the father was the one who died first; although the later will is by THOMAS WATTS, Sr. Both had wives named Ann.

(2) THOMAS WATTS left a will in Elizabeth City County, Virginia, made March 1, 1782; proved July 22, 1784, recorded in Will Book 2, Page 358. Only his wife Ann Watts is named although reference is made to "Child or Children," and a THOMAS WATTS, Jr., witnessed the will. Both THOMAS WATTS, Senior and Junior were in the Elizabeth City Poll list July 11, 1758. (William & Mary Quarterly Volume 26, Pages 107, 108). His wife probably Ann Minion.

(2) THOMAS WATTS and Ann Watts had:

10. THOMAS MINION WATTS, born_____; died_____.
11 to 15 reserved for addition.

(3) SAMUEL WATTS, born_____; died_____1787. His identity is more or less uncertain, but we infer this line to be as set out because of certain familiar names. He married Susanna_____. She survived him. His will refers to him as Samuel Watts, Junior. Samuel Watts and Susanna Watts had:

*16. SAMUEL WATTS, born_____; died_____.
17. MARY WILSON WATTS, born_____; died_____.
18 to 23 reserved for addition.

16

(16) SAMUEL WATTS, born_____; died_____1798. Evidently his wife was Jean_____, and he survived her de th in 1797. Her will was made April 26, 1797; proved at Williamsburg, Virginia January 7, 1798. It named her husband as Samuel Watts and was witnessed by Samuel Watts, Jr., and Ann Sheppard. From it and the will of Samuel Watts made December 26, 1787; proved June 28, 1798 we list the following as probably their children:

24. SARAH WATTS, born_____; died_____. Wed____Lunsford.
25. THOMAS WATTS, born_____; died_____.
*26. SAMUEL WATTS, born_____; died_____.
27. MARY WATTS, born_____; died_____. Married_____ Bright.

31. (DAUGHTER) WATTS, born____; died___. Married _____ Russell
32. (DAUGHTER) WATTS, born____; died____. Married _____ Cooper.

26

(26) SAMUEL WATTS, born_____; died_____. He continuedd to reside in Elizabeth City County, Virginia, and was there in the 1830 Census.

In 1830, Samuel Watts appeared in Elizabeth City County, Court and testified regarding heirs of Revolutionary War Soldiers, (Virginia Soldiers of 1776, by L. A. Burgess, page 1193).

In 1824-25 Samuel Watts, known as "Uncle Sammy" had preserved the old Vestry Books of Hampton Parish, Elizabeth City County (Old Churches of Virginia, by Bishop Meade, pp-236-237).

He Had:

*33. SAMUEL WATTS, born November 28, 1799; died May 17,1878
34. A son under 5 in 1830
35. A Son between 15 and 20 in 1830
36. A Son between 20 and 30 in 1830
37. A DAUGHTER between 20 and 30 in 1830

33

(33) SAMUEL WATTS, born November 28, 1799; died May 17, 1878. He was a lawyer, politician, soldier and member of the Virginia House of Delegates from Norfolk County, Virginia, at the Convention of 1850-1851. From the 1830 Census we find he had two sons then under five years of age. Their names are not given.

WATTS FAMILY NO. 36

(1) FRANCIS WATTS of Welsh and English stock. Was in Prince William County when he leased land May 22, 1749. (D. B. 1749 P. 195.) In the same county he again leased land December 25, 1751, (D. B. 1751, P. 197). Later he moved to Fauquier County, Virginia. He was granted 500 acres in Augusta County on Hawksbill Stream. Record of this is in Prince William D. B. L. P. 197 recording the grant dated December 19, 1749. (Land Office Book G., P 334). In Prince William County, Virginia, May 6, 1765, a suit was filed against Thomas Watts, son and heir of FRANCIS WATTS . This related to the 500 acre tract of land formerly in Augusta County, but which later fell into Frederick County, Va. It was a suit to clear title to the land which FRANCIS WATTS had sold to Thomas Machen, but he had failed to execute the deed before his death. The suit was settled when Thomas Watts executed the deed to the buyer. (d. B. 2, P. 221). FRANCIS WATTS married Ann _____.

He made a will October 23, 1753 in Cravin County, S. C. A certified copy of it was returned to Fauquier County, Virginia, where it was recorded in W. B. 1, page 159, under date of October 23, 1773. He is reported to have died September 23, 1754. In Spotsylvania County, Virginia, October 30, 1759, Fras (probably FRANCIS) was witness on a deed from Robert Coleman and wife Elizabeth to Thomas Dillard, recorded November [illegible], 1759.

FRANCIS WATTS and ANN _____, had the following descendants as taken from his will and subsequent records indicated:

*2. THOMAS WATTS, born_____; died_____.
Numbers 3 to 9 reserved for possible additions.

(2) THOMAS WATTS, born_____; died circa 1769. He married Lydia _____. He was named as the administrator of his father's estate September 23, 1754 and gave surety. Evidently he was then of age. He was the only child of FRANCIS WATTS named in his will. Whether there were others is unknown, for absence of the names is not in any sense proof. He was appointed surveyor of a road in Fauquier County, Virginia in 1761, and was licensed to run an ordinary near where Delaplane, Virginia, now is located. From the distribution of the slaves under the administration of his father's estate, we find reference to the following children:

*10. FRANCIS WATTS, born_____; died_____.
*11. JOHN WATTS, born_____; died_____.
*12. THOMAS WATTS, born_____; died_____.
13. MARGARET WATTS, born_____; died_____.
*14. BENNETT WATTS, born_____; died_____.
*15. MASON WATTS, born_____; died_____.
16. MARY WATTS, born_____; died_____.
17. SARAH WATTS, born_____; died_____. She married Wm. Hansbrough, April 27, 1767.

10

(10) FRANCIS WATTS, born_____; died_____. He married Sarah Foley in Fauquier County, Virginia, October 16, 1777. The original record showed her name as Toby, but upon examining the marriage bond the name clearly is Foley. No will of FRANCIS WATTS is of record. His widow left a will in Fauquier County, Virginia, made July 4, 1805; proved 9/28/1807; W. B. 4, Page 406. It named no WATTS as legatee, but was witnessed by BETSEY WATTS. From it, we glean these records of children:

18. EDY WATTS, born_____; died_____. She married _____ Cockerhile and had Everline Cockerhile (We interpret this as probably Cockerill).

19. SUSANNA WATTS, born_____; died_____. She married _____ Strawither and had Octava Strawither. (We interpret this as probably Strother).

11

(11) JOHN WATTS, born_____; died_____. He married Agatha _____. We have no definite line on his descendants. A JOHN WATTS was paid for furnishing provisions in Fauquier County, October 2, 1780. A JOHN WATTS organized a cavalry company at Winchester, Virginia, April 16, 1787. Another left a will in Frederick County, Virginia, 10/6/1774. JOHN WATTS deeded a negro woman in Fauquier County, Virginia, 12/7/1792 (d. B. 11 P. 303). In Frederick County, Virginia D. B. 14, Page 309 is a lease from JOHN WATTS of Leeds Parish, Fauquier County, Virginia, dated March 1, 1770. This is the 500 acres in that county. His wife is named as Agatha. The fact that JOHN WATTS who left the will in Frederick County, Virginia , in 1774 then had married grown daughters rather eliminates him. JOHN WATTS is shown in the Fauquier County, tax lists with THOMAS between 1793 and 1799.

He had:

Numbers 18 to 25 reserved for possible additions.

12

(12) THOMAS WATTS, Jr., born_____; died_____. He married Hannah Rust Boggess in Fauquier County, Virginia, September 26, 1768 or 1769. He served in the Revolutionary War. A THOMAS WATTS was in the Fauquier County tax records from 1782 to 1799. February 11, 1806 he went security in that county. In Deed Book 14, P. 404 his personal property was sold for debt July 30, 1798. They had:

*26. JOHN HUGHES WATTS, born_____; died_____.
27. THOMAS WATTS, born_____; died_____. Wed Eliza Allen.
Numbers 28 to 35 reserved for probable additions

14

(14) BENNETT WATTS, born_____; died_____. He married _____. He served in the Revolutionary War. (Rev. War 5A; War 5,210 Virginia Archives). They had:

Numbers 36 to 42 are reserved for probable additions.

15

(15) MASON WATTS, born_____1765; died at Jennings Indiana, March 2, 1850. He enlisted in the second State Regiment of Artillery in Fauquier County, Virginia in 1778., under Lieut. Blackwell and was in actual service, although only a boy. He applied for a pension from Campbell County, Kentucky, April 22, 1833, giving his address as Ripley County, Ind. Apparently he is the same MASON WATTS who appears in Shelby County, Kentucky, where he married Deborah Ryker, June 18, 1793. He was in the Fayette County, Kentucky tax records in 1794. In October, 1795 he appraised the estate of William Robus, Shelby County, Kentucky. With his wife, Deborah, he sold their land in Shelby County, Kentucky, November 4, 1806. His pension papers bore the name of PETER WATTS and were witnessed by James Alexander Watts. (Rev. War Pension Application S. 17760).

Numbers 43 to 52 are reserved for probable additions.

26

(26) JOHN HUGHES WATTS, born March 2, 1781; died_____. He married Prudence Hill, April 2?, 1815. They moved to and settled in Alabama in 1819. They had:

53. THOMAS HILL WATTS, born January 3, 1819; died Sept. 16, 1892. He married Eliza B. Allen. He was the famous fighting Confederate War Governor of Alabama. After service in the Army, he was called to Richmond and served as Attorney General for the C. S. A. In 1840, he was a student in the University of Virginia and his name is on Petition La 330A from there asking for a debating society at the University. They had:

54. JOHN WADE WATTS, born_____; died_____.
55. THOMAS HENRY WATTS, born_____; died_____.
56. FLORENCE WATTS, born_____; died_____.
57. CATHERINE WATTS, born_____; died_____. She married Robert Collins.

He patented land, 75 acres, July 30, 1638 in Queens Creek. This is now known as York River and he was not far from Williamsburg, Virginia. WATTS FAMILY NO. 45

(1) JOHN WATTS, born May 12, 1766; died October 1, 1839. He married Elizabeth Jacoby in Bourbon County, Kentucky, January 8, 1795. She was born July 4, 1777; died February 14, 1847. She was born in Culpeper County, Va.; died in Pike County, Missouri. She was the daughter of John Francis Lucas Jacoby and his second wife Joanna Frederica Loetspeich. Francis Jacoby died in Bourbon county, Kentucky in 1788. He had moved to Kentucky from Culpeper County, Virginia.

A JOHN WATTS first appears in the Bourbon County, tax list for 1791. Three entries of that name appear in 1795, one in 1796, 1797, 1799, 1800.

He continued to reside in Bourbon until his removal to Missouri in 1816, and to Pike County, Missouri in 1815. His son-in-law James Stark accompanied him, and they settled on Ramsey Creek. The History of Pike County, refers to him as MAJOR JOHN WATTS, but we have been unable to verify this title.

In the 1830 Census JOHN WATTS appears in Pike County, Missouri. He is shown as between 60 and 70; his wife between 50 and 60. At home is one male between twenty and thirty.

A JOHN WATTS was in a petition from Bourbon County, then in Virginia, October 28, 1789, asking the establishment of a new town. This became Hopewell Kentucky.

JOHN WATTS and Elizabeth of Bourbon deeded 111 acres of land in 1808, plus land in Nelson County, Kentucky.

JOHN WATTS had land in Bourbon,

In the Census of 1810 in Bourbon County, Kentucky, JOHN WATTS and wife are listed as between 26 and 45, with:

3 males under 10
2 " 10 to 16
1 female under 10
1 " 10 to 16
1 " 26 to 45 (Evidently not a child of his)

The following is from Miss Elizabeth Whitaker, 147 S. Ave, 53 Los Angeles, Calif., daughter of Mrs. Elizabeth Todd Whitaker third wife of Washington Watts, son of (1) JOHN WATTS.

"The title MAJOR was carried by your grandfather, JOHN WATTS not from the U. S. Army, but according to Jno. O. Roberts and his sister, Mrs. Downing-two personages very bright, possessing retentive memories, knowing the Wattses intimately-who said JOHN WATTS was called Major, from a local military organization possibly for defense when Pike County, Missouri reached the Rocky Mountains.

"Of the Militia of Missouri, in the 1830's an Uncle, Senator Thomas Benson Whiteledge, born 6/1/1844, once wrote 'In those days the grand annual event of the year was the muster days of the Militia. Everybody had to belong to the Militia and turn out so many days in the year.'

"'I remember seeing my grandfather, Lyna Whiteledge, but once when he rode up to our gate, gorgeous in his Brigadier Generals uniform. He was offered a Major Generals Commission, but refused so that his son, Thomas Benson Whitledge, could be granted a Brigadier Generals Commission.'"

From Martha Draper--"I have the original commission of Thomas Benson Whitledge granted by Gov. Lilburn Boggs, of Missouri in 8/7/1837-1st Brigade, 18th Division, M. M.-Aside from old letters-I have no other proof of these two grandfathers service-but I am claiming them-and shall continue to claim the service of MAJOR JOHN WATTS until some one proves I am wrong in so doing."

From History of Pike County, Missouri-published, 1880.

"Elections to be held at the house of MAJOR JOHN WATTS on Ramsey Creek-first elections.

JOHN WATTS on 2nd Grand Jury
JOHN WATTS on Ramsey Creek in 1817.
"The graves of JOHN WATTS and his wife Elizabeth Jacoby are in a cemetery just across Ramsey Creek, Pike County, Missouri, on a high hill. Both on the same stone were the names-with no other carving legible."

In the following Court Records are found information bearing on this JOHN WATTS:

Bourbon, Kentucky Circuit Court Records, Box 520, Aaron Griffin vs John and Francis Watts.

Defendant says that it is true that on the 1st, day of July 1816 in Bourbon County, he sold to complainant a negro man slave named Nelson for $600 slave raised on farm of James Kelley of whom he was a slave, saw him daily-lived only 3 miles away, bought him 1/3/1816 in September after sale the said complainant and offered him the said price which he had received, to wit, $600 which said complainant agreed to take but afterwards refused. Defendant admits he moved from Kentucky to Missouri territory in the fall of 1816 but denies he would have reason to do so to avoid any legal liabilities to said complainant. Denies he would have reason to do so as he owes nothing and is still possessed of large property and is perfectly amenable t the administration of Justice where he now lives in St. Charles County, Territory of Missouri.

Nelson's wife ran away, and defendant took her on hire, and on day of September 1816 did sell her to his son Francis Watts for $600. He moved to Missouri.

(signed) Benton for Defendant, St. Louis, 4/15/1818.

JOHN WATTS came before Joseph Tanner, Justice of eace for the town of St. Louis, 4/15/1818, and his answer is certified to by Mr. John Jacoby, inhabitant of this town. John Jacoby says he is personally acquainted with John Watts, that he the said John Watts was formerly resident of Bourbon County, Kentucky and married the daughter of the widow Frederica Jacoby.

Joseph Hibler questioned by Francis Watts says "I remember seeing you and your father when I was at your father's house in Missouri making exchange of papers, bond or something"--8/17/1818. (He had married Rachel Jacoby)

Benjamin Hallock says to Francis Watts. "I was at your father's house with you in the fall of 1817 in Missouri, 4/27/19." (He had married Susanna Jacoby).

Wm. G. Sadler says "When John Watts was moving to Missouri in the year of 1816, as he recollects, he called at the house of this deponent in Lexington, in company of his son Francis Watts, 8/21/1819."

(These suits were of a claim that the negro boy Nelson was not healthy and sound, and as he died Griffin wanted return of h's money. John Watts, won the suit and the heirs of James Kelley paid him for the slave.)

"The eldest son of WASHINGTON WATTS and Mary Etta Gray was BENJAMIN HENRY WATTS. Several other children came then, the twins were born, and the parents expressed their gratitude and good will by givin them liberal allowance of names, honoring as many aunts, uncles and cousins as possible. The boy was christened John Francis William and the girl Mary Ann Margaret. When their first anniversary came around, the entire country came to celebrate in a nature befitting the now wealthiest family in the neighborhood.

"Then Mary Etta Watts died. Her husband mourned her as a good man always mourn the loss of a good wife, and to show his appreciation of the first, soon took a second.

"The second wife of WASHINGTON WATTS was Mrs. Julia Jordan, who with sons and daughters, and a retinue of darkies as numerous as that of WASHINGTON WATTS came as mistress of the house. A few months after her marriage she died.

"Before twelve months had rolled around, WASHINGTON WATTS had wed Mrs. Elizabeth Ann Todd Whitaker, the young widowed sister of one of his step sons by his second wife. With the third Mrs. Watts came her little daughter Elizabeth Whitaker, who so far as I know always lived with the Watts family.

"Then a daughter to the third wife was born, Julia C. Watts, born one year ago, lacking three weeks and three days, after having been married sever years

to WASHINGTON WATTS.

"Minerva Elizabeth Watts was the only other child the oldest sister mentioned by name, but Uncle Bob Steel is there, Sally Watts Whitledge, the 'beruffled and bejewalled cousin, who set the fashionable pace for the whole connection' the cousin Susan Watts Hall, from St. Louis who knew about 'course dinners' and 'menus' there were sister Sally, sister July and sister Jane, and cousins to the nth degree, &c."

Mrs Chas A. Draper,
Palo Alto, Calif.

Scappose, Oregon.
September 21, 1933.

Dear Mrs. Draper:

It was a most delightful surprise to receive your most interesting letter of August 11, and I wish to apologize for seemingly neglect in answering same; my children from the East were here and we went on a trip and got behind in everything especially in correspondence.

I was born Scappoose, Oregon 1864 and have travelled but little, however I had a short visit at the old Watts settlement in Pike County, Mo., in 1928 and found but little there of the information that you are seeking and by the way our family is in quest of facts as to the original John Watts who established the family in Missouri in about 1815.

There is but little evidence of the origin of the Watts-Jacoby family to be had there the descendants are mostly not interested in family history, so I found out during my visit with them, this is not surprising as most of the descendants of Watts have migrated to other parts of the county and the stay-at-homes have not achieved much of the worlds things worthwhile, thought they are fine people.

I did not contact the Stark branch, they have done splendidly and are a credit to any family. I visited the Court House in Louisiana and found many important documents of contemporary origin, but nothing to show Kentucky antecedents. I am sure that a trip to Kentucky would straighten everything that we both wish to know as to John Watts and Elizabeth Jacoby's origin as doubtless they did tarry quite a while in or near Louisville, where they were attached in some way with Daniel Boone's family.

My family comes from the William Watts Naylor branch who left Pike Co., for Oregon in 1852. William Watts had five sons by the Naylor marriage and soon after her death he married again and set out for the west with his sons and one Nephew John Richard Watts, a son I think of Washington Watts, or possibly of Wade Watts. There is a Dr. Wayne Watts in Portland that I have not met, and I think he is a descendant. I have had but little op ortunity to dig up family history excepting that I did visit the D. A. R. library in Peoria Illinois in 1928, but did not have time to get to the bottom of things, but I did find a lot of Watts, of more or less value scattered through the books but could not attach any to the elusive John Watts who came west to Missouri in 1815, but I think he was associated with Boone, Starks, Fullertons, Ramseys, Griffiths, etc., While there and some of them came west with him to Pike County.

A map in the office of the newspaper published in Louisiana near Clarksville shows the names and locations of the original settlers in Pike County and is worthy of some study. I am inclosing a rough sketch showing some of our family as I understand it and would be glad to exchange with you at your convenience. Thanking you for your kind letter and looking forward to another letter I am very sincerely.

James Grant Watts.

Miscellaneous Supporting Data

In Some Prominent Virginia Families, by Louise Pecquet Du Ballet, Volume IV, pp 216 and 217, is found the brief history of this family.

John Watts, the Senior, went to ARRONSIC in 1714 and built a large brick house intending to fortify it against Indians. Before he went he made his will leaving the use and improvement of one third to his wife, the rest to be "divided between his son John and daughter Elizabeth".

The property devised consisted of an Estate known as "West Horrocks" in Essex, real estate in Charlestown, Mass., and in the Parish of Stone County, Kent, England.

The house at Arronsic was afterward occupied by John Penhollow.

(Although this purports to be a history of Virginia Families, the location of Arronsic is not given, nor do we find it in early Virginia records. From other incidents in this narrative we are convinced it is a New England family and location).

WATTS FAMILY NO. 56.

(1) PETER WATTS came into Northampton County, Virginia as an immigrant in 1654. We find no further record of him there and he is presumed to be the one who is located in St. Mary's County, Maryland in 1675. He married Rebecca Clocker, daughter of Daniel Clocker. He died in 1692. From the Maryland Calendar of Wills by Jane Baldwin we take these records about this immediate generation.

Volume 2, page 54, Will of Peter Watts, St. Mary's County made 1692, proved July 25, 1692. Names children as shown below. His wife's name is not given.

Volume 1, page 116. Will of Daniel Clocker, St. Mary's County made February 4, 1675; proved February 12, 1675. Names his daughter Rebecca Watts and his son-in-law Peter Watts.

Volume 1, page 114. Will of John Hewett, St. Mary's County, made January 28, 1675; proved February 4, 1675 makes Peter Watts, sole legatee and executor. His wife survived him.

They had:

2. MARY WATTS, born_____; died_____.
*3. THOMAS WATTS, born_____; died_____.
*4. WILLIAM WATTS, born_____; died_____.
5. JOHN WATTS, born_____; died_____.
*6. PETER WATTS, born_____; died_____.

(3) THOMAS WATTS, born_____; died _____. He married Elizabeth Taylor, daughter of Alice Taylor. He died in 1723. She survived him. After his death she married Peter Rule. He died in 1728, and she survived him.

From the Maryland Calendar of Wills by Jane Baldwin we glean the following facts about this generation:

Volume 5, page 151. Will of Thomas Watts, St. Mary's County, made October 12, 1721, proved November 20, 1723. Names children listed below and wife Elizabeth. Her family name is deduced from below.

Volume 6, page 79. Will of Peter Rule. St. Mary's County made October 12, 1728; proved November 5, 1728. Names wife Elizabeth and Thomas Watts and Joshua Watts. From this we deduce that his wife was the widow of Thomas Watts.

Volume 3, page 2, Will of Alice Taylor, St. Mary's County, made September 19, 1703; proved February 3, 1703, names daughter Elizabeth Watts, son Thomas Watts, grandson Daniel Watts. We deduce that William, Thomas and Joshua had not been born when her will was made.

Thomas Watts and Elizabeth (Taylor) Watts had:

*7. DANIEL WATTS, born_____; died_____.

8. WILLIAM WATTS, born_____; died_____.
9. THOMAS WATTS, born_____; died_____.
10. JOSHUA WATTS, born_____; died_____.

4

(4) WILLIAM WATTS, born_____; died_____. He married Catherine Taney. She died in 1722. He survived her and died in 1723. She had children by her previous marriage. No children are of record from her marriage to William Watts.

From the Maryland Calendar of Wills by Jane Baldwin we glean the followin supporting information.

Volume 5, page 109. Will of Catherine Watts, County not named, but St. Marys deduced. Made March 19, 1721; proved August 9, 1722. Names children from her previous marriage, but none from marriage to William Watts.

Volume 5, page 155. Will of William Watts, St. Marys County, Md., made January 14, 1723-4; proved January 22, 1723-4. Names relatives but neither sons or daughters. His wife died before him.

6

(6) PETER WATTS, born_____; died_____1719. He married _____. She survived him, but his will does not disclose his wife's name. From the Maryland Calendar of Wills, by Jane Baldwin we glean these facts about this.

Volume 5, page 109. Will of Thomas Courtney, St. Marys County, made January 18, 1705; proved June 26, 1706. Names "Kinsman" Daniel Clocker and "Cousin" Peter Watts.

Volume 4, page 208. Will of Peter Watts, Gentlemen, St. Marys County, Md., names legatees from which we deduce these as children.

*11. JAMES WATTS, born_____; died_____.
12. MARY WATTS, born_____; died_____. Married Thomas Waughop
13. (DAUGHTER) WATTS, born_____; died_____. Married George Clark.
14. RESERVED,

7

(7) DANIEL WATTS, born_____; died_____. From the fact that he was the sole grandchild named in his grandmother's will made in 1702, we deduce he was the only one born prior to the date that will was made. (September 19, 1702) Later records show him in Prince George County, Maryland, where he witnessed three wills after 1726.

(11) JAMES WATTS, born_____; died_____. He married Frances_____. From the Maryland Calendar of Wills, by Jane Baldwin, we glean these facts concerning this generation.

Volume 5, page 184. Will of William Kirby, St. Marys County made September 30, 1724; proved January 26, 1724, names wife Frances Kirby and her child James Watts.

Volume 4, page 208.
